

# Myrrha by Padró & Co. Blanco Delicious Tradition

Our Myrrha Blanco is made using natural infusions of aromatic plants added to a base of young white wine.

## TASTING NOTE

Pale yellow in colour with a bright tone.

Intense and agreeably spicy aromas greet the senses and envelop the nose with a mixture of floral, citrus and anise notes.

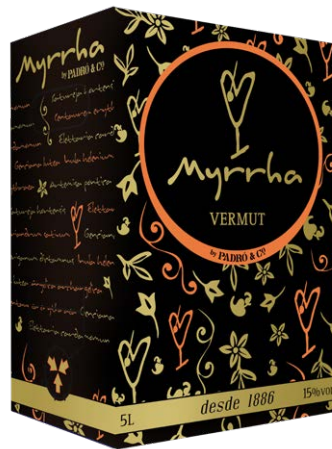

Initial density on the palate with a pleasant sweetness followed by a sense of fresh zestiness. The aftertaste is elegant and very slightly tangy, tempting the taster to take another sip.

## HOW TO DRINK

Myrrha Blanco should be served very cold in a wide-rimmed glass with a twist of lemon and a mint leaf.
