

BY THE DUTCH BITTERS

Zonneveld Beverage Company

BRAND OVERVIEW

By the Dutch began in 2015 to tell a story of tradition and craftsmanship to the world with reintroducing traditional Dutch distillates.

The Netherlands historically plays a leading role in the world of fine spirits. The Dutch were the first to master the art of distillation from agricultural products, as well as the first to spread their technology internationally.

The By the Dutch portfolio has taken influence from the former routes of the VOC & WIC to create their portfolio. Education, transparency, and craftsmanship are of paramount importance at By the Dutch.

Bitters complete the By the Dutch range by supporting the spirits in the preparation of great drinks. Their strong personality is derived from the use of herbs and spices of the Dutch tradition.
