BRAND OVERVIEW

Casa D'Aristi is a small producer located in the Yucatán peninsula in the beautiful town of Merida, Mexico. The Aristi family is committed to producing high quality selections reflecting authentic flavors of the Yucatan. They take pride in sustainable production practices, maintaining close relationships with the farming communities with a focus on keeping their products free of additives and flavorings.

Huana is the only guanábana fruit liqueur in the world and is the most versatile liqueur in the Casa D'Aristi portfolio.

Guanábana, also known as soursop, is a large, spiny tropical fruit that grows in a dense jungle landscape.

Upon the introduction of Huana, the Aristi family has supported local farmers with their own fair-trade standards and prices, and this healthy ecosystem is carried on today.
