## BRAND OVERVIEW

Casa D'Aristi is a small producer located in the Yucatán peninsula in the beautiful town of Merida, Mexico. The Aristi family is committed to producing high quality selections reflecting authentic flavors of the Yucatan. They take pride in sustainable production practices, maintaining close relationships with the farming communities with a focus on keeping their products free of additives and flavorings.

Kalani is 100% natural coconut liqueur made from fresh coconut milk and pulp, extracted from a special hybrid of coconut brought over to the Yucatán by the son of Don Carlos Aristi, Rafael Aristi, nicknamed "Malayan Dwarf Coconuts."

The Aristi family grows their coconuts on their plantation in Oxtapacab, Yucatan.
