BRAND OVERVIEW

Viñas de Oro is located 133 miles south of Lima, Peru in the traditional district of El Carmen, Chincha in Ica. A father and son duo, Mr. Pedro and Mario Brescia have a background in agriculture engineering and a heart for adventure.

The winery opened their doors in 1983 as part of the "Breca" Agrícola unit, a Peruvian business by the Brescia Cafferata family which has been in business for over 100 years.

The extensive property covers eight hundred hectares, eighty of which are dedicated to growing six types of Pisco grapes.

Viñas de Oro values social and environmental responsibility in farming and production methods. Traditional distillation combined with modern production techniques ensure an exquisite Pisco collection of the highest quality.
