

VERGNANO LIMONINO LIQUEUR

Fratelli Vergnano 1865 • USDA Organic 

BRAND OVERVIEW

In 1865, Bartolomeo Vergnano took a keen interest in alchemy and knowledge of Italian botanicals to formulate artisan liqueurs following the Piedmont liqueur-making tradition.

Today, after three generations, Valter Vergnano has the same enthusiasm and alchemist inclination. The core focus has been professionalism, transparency, raw materials quality, and first rate finished products.

ORGANIC LIQUEURS

The company received the certification for producing organic products from the national organization "Valoritalia" in 2015.

Traceability of ingredients is a guarantee of absolute transparency and purity; the whole chain is bio-certified and subjected to accurate controls.

This is an **all-natural** product, therefore, color may slightly vary and is sensitive to light. **No artificial coloring or flavoring.**
