BRAND OVERVIEW

The name "Turin Vermouth" and "Tuvé" are derived from historical familial recipes displaying the liquor tradition of the Piedmont capital. The distillery was born in the historic town where the deep roots of Vermouth originated in 1786.

More than two centuries have passed since the birth of vermouth, and since then many craftsmen, liquor masters, and artisans have settled in what was then the epicenter of Italian liqueurs. The passion of Turin Vermouth originates from the Piedmont land and its fruits. The constant dedication in search of the highest quality ingredients and the reinterpretation of ancient recipes, makes them innovators of the category.

DRAPÒ VERMOUTH

The story tells of glorious times where the tradition of the Vermouth of Turin was internationally envied. Today, the distillery stands as the only operating vermouth production within the city of Turin.

Drapò Gran Riserva Vermouth is produced in limited quantities and is the result of the best botanicals and herbs selection added to their classic Vermouth Rosso Drapò. This unique expression of red vermouth rests for at least eight months in French oak barrels. This passage will further strengthen its body and structure, giving it hints of ancient wood and a combination of supreme flavors.
