### BRAND OVERVIEW

The name "Turin Vermouth" and "Tuvé" are derived from historical familial recipes displaying the liquor tradition of the Piedmont capital. The distillery was born in the historic town where the deep roots of Vermouth originated in 1786.

More than two centuries have passed since the birth of vermouth, and since then many craftsmen, liquor masters, and artisans have settled in what was then the epicenter of Italian liqueurs. The passion of Turin Vermouth originates from the Piedmont land and its fruits. The constant dedication in search of the highest quality ingredients and the reinterpretation of ancient recipes, makes them innovators of the category.

### DRAPÒ VERMOUTH

The story tells of glorious times where the tradition of the Vermouth of Turin was internationally envied. Today, the distillery proudly stands as the only operating vermouth production within the city of Turin.

Drapò Rosé Vermouth is the perfect union ring that connects the two most common types of Vermouth: when a white vermouth is too sweet and a red vermouth is too full-bodied, rosé vermouth is the ideal solution.
