BRAND OVERVIEW

FAIR® was created in 2009 to develop a spirits line with a positive impact on people and the planet. They have been committed from the very start to giving 1% of revenue back to the farming communities that provide their superior crops. FAIR® does not just label products as ethical —“they create real sustainable change by equitably distributing resources to the beginning of the supply chain, leveraging local and regional agricultural expertise, and creating standards that protect people and the environment.”*

Fair Trade is a global movement made up of a diverse network of producers, companies, consumers, advocates, and organizations putting people and the planet first. Products bought, sold, and consumed every day are connected to the livelihoods of others; Fair Trade is a way to make a conscious choice for a better world.

FAIR® is also about the celebration of cultures and promoting our differences. FAIR® Quinoa Vodka is made from Andean Quinoa grown at 13,000 feet in the Andes mountains. FAIR® sources directly from a co-op of 1,200 independent farmers in the Bolivian Andes. Quinoa has been part of the fabric of Bolivian culture since before written history.

After the quinoa is harvested, it is shipped to Cognac to be distilled along with neutral, non-GMO corn alcohol.

When you drink FAIR® Quinoa Vodka it is a sign of appreciation and respect for the people who make production possible.

FAIR® Quinoa Vodka is:

- Fair Trade
- Organic
- Vegan
- Non-GMO
- Gluten-free
- No Sugar Added
