

VIEUX KIRSCH

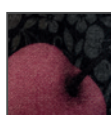

FASSBIND LES VIEILLES OLD CHERRY

This noble, carefully distilled and matured fruit brandy is made from ripe Swiss cherries. The Rigi region is famous for its tasty cherries and the cherry brandy obtained from the fruit.

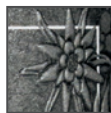

Immediately after the harvest, the fresh fruit is delivered to us and mashed immediately. After the fermentation is complete, we distil the fully ripe cherries together with their fruit stones, which produce the typical almond note and aroma for the Kirsch.

The freshly distilled Kirsch first rests in stainless steel tanks for at least two years and then ripens in oak casks for 14 to 18 months. After the maturation process, the Kirsch brandy is further refined with a home-made bonificateur to enhance the wonderful aroma and subtle sweetness, which makes this Vieux Kirsch so unique.

Colour	Brilliant Gold.
Nose	Notes of marzipan, cherry cake and dried fruit with a hint of Caribbean rum. Reminiscent of freshly prepared elderflower syrup with a touch of lemon.
Palate	Aromas of pickled cherries, orange-chocolate biscuits and a hint of roasted almonds.
Finish	Long-lasting, delicate and aromatic.

Cherry / use of distilling cherries for distillation / mostly from high stem trees / typical almond flavour / The Rigi region is famous for its cherries.

Edelweiss / beautiful, strictly protected alpine flower with white felt petals / emblem of the Swiss Alps / also called the «immortal».
