## BRAND OVERVIEW

Padró I Familia, SL is owned and operated by the 5th generation of the Padró family. The family has been producing vermouth in Spain dating back to 1886 in the village of Brafim, Tarragona.

Through the popularity waves of vermouth, Padró has managed to survive by producing their own wine. Today, they have approx. one hundred acres of 25-year-old vines.

Historically, vermouth was delivered in barrels until recently when the first of their bottled brands was

born. Their premium line, Padró & Co., launched in 2016, is a fusion of herbs, spices and flowers together with their wine to create an intense and unique experience.

The Padró family believes vermouth making is not an exact science. They utilize the natural elements for their initial resting of the base wine, then the product is continuously tasted throughout the process. Like a good chef, the product is finished when it tastes just right.
