FATHER OF VODKA – BROTHER OF WHISKY

PRODUCT OVERVIEW

SINGLE MALT RYE VODKA

38.5% ABV | 750mL

- The aroma is juicy, almost citrusy with savory herbs, pickle brine, & slight smoke
- Entry is creamy, rich in malted milk balls, nougat, grain & toast
- Long, lush, slightly roasted spice with plump malted rye finish

CLASSIC RYE VODKA

38.5% ABV | 750mL

- Aroma of rye bread toast
- Keenly pepper, round, & slightly fruity & ripe
- Entry is completely dry, intensely grainy & rye bread-like
- Sideline notes of caraway seeded crackers

WHEAT VODKA

38.5% ABV | 750mL

- Assertive breakfast cereal aroma shows remnants of soybean and candle wax
- Scents of apple, white grape, & yellow plum
- Entry is clean, dry, & deeply grainy
- Mid-palate finds apple-like acidity that maintains the freshness well & long

CHERRY VODKA

38.5% ABV | 750mL

- Spicy, dry cherry note
- Woody ending with touch of oil
- USE: On the rocks; in cocktails

NO. 2 GARLIC & PEPPER VODKA

38.5% ABV | 750mL

- Entry is coily garlicky with warm, chili pepper flair
- Mid-palate is appealingly embers-warm from chili influence
- A calm finish displaying savory & zest
- USE: In cocktails

NO. 3 CARAWAY VODKA

38.5% ABV | 750mL

- Striking aroma with a seed-like bitterness
- Oiliness of caraway emerges with a fresh, crushed impression
- Lightly toasted, delicately bitter mid-palate with savory caraway finish
- USE: As an aperitif or digestif; in cocktails, such as Mojito

NO. 4 HONEY & ALLSPICE VODKA

38.5% ABV | 750mL

- Initial aroma of honey opening to the zest of allspice & evolves into an amaro-like nose
- Entry offers an upfront honey element
- Mid-palate is tangy as the honey fades
- Long finish, with bitter, spicy, & herbal notes
- USE: In cocktails, such as an Apple Martini

NO. 5 HORSE RADISH VODKA

38.5% ABV | 750mL

- Strong horseradish spice on the front with a dry ending
- Caraway bread taste with a touch of horseradish flavor
- USE: In cocktails, such as a Bloody Mary or Dirty Martini

NO. 10 JUNIPER GIN

38.5% ABV | 750mL

- Rush of citrus & juniper
- Progression of sweet berry providing pleasant warmth
- USE: On the rocks; replaces gin in most cocktails as a more flavorful alternative
