

BRAND OVERVIEW

Casa D'Aristi is a small producer located in the Yucatán peninsula in the beautiful town of Mérida, Mexico. They are committed to producing high quality selections reflecting authentic flavors of the Yucatán. Taking pride in sustainable production practices, they maintain close relationships with the farming communities with a focus on keeping their products free of additives and flavorings.

Huana is the only guanábana fruit liqueur in the world and is the most versatile liqueur in the Casa D'Aristi portfolio.

Guanábana, also known as soursop, is a large, spiny tropical fruit that grows in a dense jungle landscape.

Upon the introduction of Huana, Casa D'Aristi has supported local farmers with their own fair-trade standards and prices, and this healthy ecosystem is carried on today.
