

WISE OWL IRISH WHISKEY

Listoke Distillery

92 SILVER - New York International Spirits Competition 2021

SILVER - American Distilling Institute 2022

Listoke teamed up with the Great Northern Distillery in the heart of Ireland's Ancient East and the Boyne Valley to develop their initial premium Irish Whiskey. The smooth, deep taste allows the young, Wise Owl Whiskey (WOW) to compete with many premium Irish whiskeys.

WOW is triple distilled and finished in a range of different casks to bring the final blend together. The whiskey is finished in imperial stout casks with a blend of grain and malt whiskey and a touch of peated malt. It is Non-chill filtered to capture all flavors and scents while using no artificial color or caramel to ensure the honest integrity of their premium whiskey.

Every bottle is filled and labeled by hand with the dedication of the whole family at Listoke Distillery
